

Prowess Database - IQ

The Prowess database consists of the financial performance of Indian companies. The database contains information on all listed companies and a larger set of unlisted companies. The database is built from the audited Annual Reports of companies and information submitted to the Ministry of Company Affairs; and in the case of listed companies, the database also includes company filings with stock exchanges and prices of securities listed on the major stock exchanges.

The client server is developed and maintained by CMIE. Similarly, the Prowess database is also developed, maintained and updated by CMIE.

Prowess Database is now available in SIRC Library for members' use. We invite all the members to use the database.
